WHY DEF CUBE

BULK STORAGE

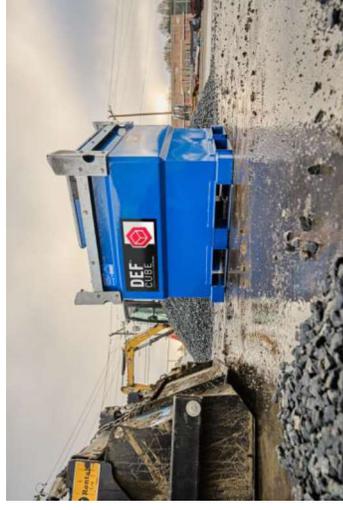

The DEFcube is a rugged solution for auxiliary DEF dispensing and replenishment needs, ideal for supporting Tier-4 diesel generators and other non-road mobile machinery

DESIGN

Our DEF storage tank comes with a poly inner and a steel outer tank which helps maintain the temperature of your DEF, making it easier to store onsite in both hot and cold conditions.

APPLICATION USES

- Highway DEF transport
- Limited Access & Remote Jobsites
- Disaster Relief
- Fleet Servicing
